

T&B Jubilee 15-17 September 2017

International Street Orchestra Festival Amsterdam

Toeters en Bellen (T&B) have been playing music from every corner of the world for 25 years. We'll celebrate this with befriended orchestra's from France, Germany, England and The Netherlands. Together we will ensure a weekend full of solid sounds, rambling rhythms, blasts of brass, rocking reeds, measures in prime time and songs in many tongues. Come with us, crossing borders of outlandish music, and feel at home in Amsterdam.
